

INTERNATIONAL CONFERENCE GEOMATIC & GEOSPATIAL TECHNOLOGY 2018

3 – 5 SEPTEMBER 2018

PARKROYAL HOTEL, KUALA LUMPUR, MALAYSIA

GGT 2018

Dear Colleagues and Friends,

This year will be a year for “Geospatial and Disaster Management” as the theme for the GGT 2018. We have seen various agencies and private entities have engaged with geospatial information systems, applications and services. However, more efforts and works have to be workout and envisioned for better information and decisions within the agencies and many users. Today, users demand more and more relevant data, services and information. In order to materialise all those demands both from data providers and users, we anticipate and encourage all geospatial information communities and related professionals to get together in one big event – GGT 2018. Many issues and solutions will be shared and discussed for the benefits of all. We encourage all to submit their abstracts and papers to be presented at the conference.

Thank you,

Prof. Sr. Dr. Alias Abdul Rahman, Chair (UTM).
Sr. Haji Johari Wahab, Co-Chair (RISM).
Dr. Khamarrul Azahari Razak, Co-Chair (UTM KL).

The following topics (but not limited to) will be discussed, elaborated and highlighted in the conference:

- Disaster Risk Management & Reduction & Resilient
- Geospatial Technology & Natural Hazards
- Geo-Hazards, Floods, Earthquakes and Tsunami
- Disaster: Mapping, Monitoring, Early-Warning, Modelling

- Earth Observation & Disaster Risk Reduction
- Big Earth Data & 3D City Modelling
- GIS (2D and 3D Modelling)
- LiDAR, Drones and Unmanned Aerial Vehicle (UAV)
- Open Geo & Building Information Modelling (BIM)
- GNSS, Surveying and Geomatics
- Land Administration Domain Model (LADM)
- Multi-Dimensional Modelling & Visualization
- Remote Sensing, Image Processing and Photogrammetry
- GIS for Civil and Engineering purposes.
- GIS for Sustainable Development
- GIS for Environmental Applications
- Oceanography and Hydrography
- Standards and Spatial Data Infrastructure (SDI)
- Professional Education and Accreditation

REGISTRATION FEE

Type	RM	USD	EURO
• Early Bird*	1300	300	290
• Normal	1500	330	325
• Student	1000	225	215

*until 3 August 2018

CALL FOR ABSTRACTS AND FULL PAPERS

You are invited to submit full papers (review) describing original works, or short presentations (non-review) or posters (non-review). All full papers will be subject to peer review process. The accepted full papers will be published as ISPRS International Archives volume (SCOPUS indexed). The non-review papers or presentations will be published in conference proceedings.

All manuscripts must be submitted via EasyChair online system. More information on the submission could be accessed via the conference website.

IMPORTANT DATES

1 July 2018	Full paper submission
1 August 2018	- Notification of acceptance (full papers) - Non-reviewed papers and posters submission
3 August 2018	Final submission (after correction)
10 August 2018	Camera-ready
10 August 2018	Payment deadline for accepted papers by authors.
3 September 2018	One-day Tutorial
4-5 September 2018	Conference
